10

SYNOLOGY DS212J

★★★★★ £170, SYNOLOGY.COM, TESTED JULY 2012

LOVE A great network-attached storage device with rock solid reliability, massive feature set and not totally unattractive looks
HATE Mobile remote access is fiddly beyond measure. Pretty expensive once you add a pair of hard drives
T3 SAYS The best a NAS can get. You can get much cheaper NASes, but that would be a false economy
SPECIFICATIONS
CONNECTIONS Two drive bays, USB for expansion, ethernet
